

STANDARD

INDUSTRIAL MANUFACTURING PARTNERS, LTD

WE MANUFACTURE PUMP PARTS

**TERMS AND CONDITIONS OF SALE
FOR EQUIPMENT SOLD TO RETAILERS**

Limited Warranty

Standard Industrial Manufacturing Partners, Ltd. warrants equipment manufactured by Standard to be free of defects in materials and workmanship for a period of ninety (90) days from date placed in service. All items requiring warranty are to be returned to Standard freight prepaid. Standard will decide if the failure was due to defective materials or workmanship, and shall at its discretion either repair, or replace the defective part. In no event will Standard be liable for any indirect or consequential damages.

Transportation

All sales are F. O. B. Odessa, Texas, with freight to purchaser's account. All products are property of the purchaser at the time they are given to the transportation company. Loss and damage is assumed by the purchaser.

Cancellation and Returns

With prior approval, all stock items may be returned for credit if in new and resalable condition. All returns are to be made to Standard's Odessa, Texas plant, with freight prepaid. Return of any special order merchandise, or for items requiring cleanup or repairs will be subject to restocking charges. Original invoice number must be furnished.
